

CapitaLand Group Half Year 2008 Results

This presentation may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other companies and venues for the sale/distribution of goods and services, shifts in customer demands, customers and partners, changes in operating expenses, including employee wages, benefits and training, governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. You are cautioned not to place undue reliance on these forward looking statements, which are based on current view of management on future events.

| Total Revenue | 1,572.6 | 1,451.4 | -7.7% | |
| CapitaLand Residential Singapore | 328.6 | 216.0 | -34.3% | Mainly due to completion of Citylights and Varsity Park in December 2007 and February 2008 respectively. |
| CapitaLand China Holdings | 399.9 | 204.0 | -49.0% | Mainly due to re-scheduling of launches for some projects. |
| CapitaLand Commercial | 58.1 | 104.5 | 79.9% | Due to the consolidation of revenue of 1 George Street which became a subsidiary in September 2007 and the progressive revenue recognised for Wilkie Edge. |
| CapitaLand Retail | 50.7 | 81.7 | 61.1% | Mainly contributed by the shopping malls in China and Malaysia. Property management fees from the China malls benefited from more operational malls in 2008. |
| The Ascott Group** | 226.4 | 225.9 | -0.2% | Mainly due to the deconsolidation of ART but mitigated by the increased revenue from the Group's serviced residence operations in Europe, North Asia and Singapore. |
