CapitaLand’s Strategic Initiative in Affordable Housing
Why Affordable Housing for CapitaLand?

- Affordable housing is in high demand in China and Vietnam due to rapid massive urbanization.

- Affordable housing - real and non-speculative demand. Lower market risks.

- In China, affordable housing is now becoming a social/political issue for the government to resolve. We see great business opportunities for CapitaLand. We have strong presence in China in the last 16 years.

- There is an opportunity for CapitaLand to further diversify and position itself in the affordable housing segment in addition to its existing established mid- to high-end segments.
Opportunities in Affordable Housing for CapitaLand in China and Vietnam?

CapitaLand can leverage on its proven track record in property development in China and Vietnam:

- Strong track record and reputation in both China and Vietnam
- Extensive geographical reach in both economies. Present in 40 cities across China. Strong network and local knowledge with local city government and building professionals
- Established strong capabilities in various real estate sectors, particularly residential development
- Built more than 4,000 quality homes and over 1,300 serviced residence units in 4 cities in Vietnam
CapitaLand’s Strategy for Affordable Housing

- Dedicated platform and management focus
- Distinct business culture & mindset
- Different cost structure
- Separate branding

New Business Unit
