CapitaLand Analysts/Media Trip 2016
The Ascott Limited
Mr. Kevin Goh, Managing Director, Ascott North Asia
21 November 2016
Important Notice

This presentation may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other companies and venues for the sale/distribution of goods and services, shifts in customer demands, customers and partners, changes in operating expenses, including employee wages, benefits and training, governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. You are cautioned not to place undue reliance on these forward looking statements, which are based on current view of management on future events.

Note:
1. As at 30 September 2016
Continue to Grow Network in China

Deepening Presence And Building Scale

• Build strong operational platform in key cities to support growth

• Fee income from new management contracts to improve bottom line

• Seeing improved management contract terms and pipeline due to better brand recognition

In YTD 2016,

• Ascott China secured 17 management contracts for over 3,000 units in Beijing, Dalian, Hangzhou, Nanjing, Shanghai, Shenyang, Tianjin, Haikou, Xiamen, Xi’an, Chongqing, Shaoxing and Changsha.
Forging Strategic Alliances To Accelerate Growth

Strategic Investment In Tujia.com International (S$67.7m) & Set Up Of A Joint Venture (S$54.2m)

- Led consortium to invest over S$120 million in China’s largest and fastest growing online apartment sharing platform

- Capitalise on Tujia’s unique business model and technological capabilities
  - Ascott’s serviced residences in China are now available on Tujia’s website for booking, expanding reach to more customers online
  - Ascott plans to add on serviced residences outside China on Tujia’s website in 2017 to reach out to the rapidly increasing outbound Chinese travellers
  - To tap on Tujia’s business network to access more projects, including penetrating into mass market segment which opens up for a bigger pie for growth

Continue to Grow Network in China
New Tujia Somerset Brand Catered For The Booming Segment Of Middle Class Travellers in China

- Newly unveiled brand will spur growth of Ascott management and franchise business in China, along with its established Ascott, Citadines and Somerset brands.

- Strong support received for the new brand with more than 1,700 units across ten properties in China already signed up.

Continue to Grow Network in China

Forging Strategic Alliances To Accelerate Growth (cont’d)
Partnered Fliggy\(^1\) To Deep Access To Growing Outbound and Inbound Chinese Travellers

- Ascott has made available its serviced residences in the Greater China region on Fliggy, Alibaba’s travel services platform since December 2015, targeting the booming domestic travel market of four billion trips\(^2\).

- Ascott’s global serviced residences in 20 cities have also been made available on Fliggy, targeting the world’s biggest outbound travel market of over 120 million Chinese travellers\(^2\).

Ascott will list its global network of over 29,000 apartment units operating in over 60 cities on the one-stop online travel platform by 1Q 2017.

Notes:
1. Alitrip officially changed its name to Fliggy with effect from 27 October 2016.
2. According to China National Tourism Administration, China had 120 million outbound visitors in 2015 and made 4.12 billion trips on domestic travel in 2015.
Continue to Grow Network in China

Forging Strategic Alliances To Accelerate Growth (cont’d)

Embracing Technology & Social Media

• ’11.11’ Ascott First Live Stream on 7 November 2016 drew over 4,900 audience and added close to 700 fans on Ascott Fliggy store

• Sales on Singles’ Day through our partnership with Fliggy went up six times, the highest number of room nights booked online in a single day in China
Forging Strategic Alliances To Accelerate Growth (cont’d)

Embracing Technology & Social Media

• Social media engagement with bookers through Ascott’s mobile site, Wechat, Weibo etc

Ascott continues to seek innovative ways to strengthen capabilities so as to ensure it remains the top choice accommodation for guests when they travel.
### Embracing Technology & Social Media

- **Smart Room Solution**
- **Remote Control**
- **Environmental Monitor**
- **Intelligent Control**
- **Media Control**
- **Room Unlock**
- **Scene Mode**

#### APP Unlock Room
- Scans QR code to acquire electronic key
- Open door lock using APP through wireless/4G communication

#### Smart Remote Control
- Using smart devices for remote control

#### Smart Scene Mode Setting
- Welcome Mode, Media Mode, Sleeping Mode, Auto Induction Mode, Check-out Mode

#### Real Time Status Monitor
- Temperature and humidity sensing
